4.0 Meetings Programme - A copy of the meetings programme is enclosed, it should be noted that this programme could be subject to change.

4.0 Any Other Business -

The structure of the evenings

It was decided that the informal evenings could have a formal theme as before. It was decided that the format of the formal evenings would change, the first part of the evening would be the formal part of the evening, then after tea the evening would take the form of a discussion forum in which future events would be decided and problem solving discussed.
